

Middle Atlantic Archaeological Conference

Tour of Fort Eustis

Thursday, 15 March 2018

Tour: The staff of the Fort Eustis Archaeology Program will share with visitors what they do and how they manage, protect and preserve over 200 archaeological sites on an active US Air Force installation. There will be site visits to the 18th century Mathew Jones House, Civil War fortifications, Fort Crafford and The Minor Farm Line, and others. **Tour limited to 30 people.** Fort Eustis is a limited access post. Participants will need to provide personal information which includes birthday and SSN to the installation prior to tour to arrange a visitor's pass. This event is **FREE**.
