

**AUTHOR'S WARRANTY  
and  
ASSIGNMENT OF COPYRIGHT AGREEMENT**

You, the undersigned author(s) of the work entitled \_\_\_\_\_ (the "Work") which has been submitted to *Journal of Middle Atlantic Archaeology* for publication, hereby warrant to Archaeological Services that the Work is original and has not been submitted for publication or published elsewhere. You also warrant that you are the author(s) and owner(s) of the Work, except for any material, such as text passages, figures or data, incorporated into the Work that are clearly identified and credited as the work of third parties ("Third-Party Works"), and that you have obtained written permission from the copyright holders to the Third-Party Works to (i) create modifications to the Third-Party Works as may be appropriate in order to prepare the Work for publication, (ii) reproduce, display and distribute the Third-Party Works as part of the Work in any version or translation and via any medium (including any electronic format now known or hereinafter discovered), and (iii) authorize others, including Archaeological Services to do so.

You, in consideration of the publication of the Work, hereby (i) assign to Archaeological Services all rights to the Work under all copyright laws, domestic and foreign, (ii) waive any moral rights in the Work to the extent that such rights may prevent Archaeological Services from modifying the Work for publication, and (iii) grant Archaeological Services the right to use your name(s), photograph(s), likeness(es), and biographical information in connection with the publication and promotion of the Work.

Archaeological Services hereby grants to you the right to: (i) make copies of all or part of the Work as published by Archaeological Services for your use in classroom teaching; (ii) re-use all or part of the Work in a compilation of your own works or in a textbook of which you are the sole author(s); and (iii) make copies of the Work as published by Archaeological Services for internal distribution within the institution(s) which employ(s) you. You agree to apply the copyright notice which appears in the Work as published by Archaeological Services to any copies made under this license.

You represent that you have the power and authority to make and execute this Agreement. If you are employed and you prepared the Work as a part of your job, the rights to the Work may rest initially with your employer. In that case, when you sign this form, you warrant that you are authorized to do so by your employer and that your employer has consented to all the terms and conditions of this Agreement. For jointly authored works, all the joint authors should sign, or one of the authors should sign as an authorized agent for the others.

This agreement constitutes the entire agreement among the parties, supersedes any prior agreement concerning the subject matter hereof, and may be modified only by a written instrument signed by all parties.
